General Stationery

Please note: Students may be required to hand in notebooks when submitting drafts etc. Multi-subject notebooks are not permitted. Students are not to bring white-out, permanent markers or felt-tip pens to school. Students are not allowed to use mobile phones as calculators.

Bring Your Own Device (BYOD) – compulsory for all students

For years 7 – 9, students must bring either a Laptop or iPad as their learning device. We recommend installing Microsoft Office Suite 2016 which is available to students as a free download. Please see the school website for device requirements and software download instructions.
